

National Conference on AI & ML-Driven Recent Advances in Condensed Matter and High Energy Physics (CMHEP-2026) FEBRUARY 20-21, 2026 Website: [click here](#)

**DEPARTMENT OF PHYSICS, EWING CHRISTIAN COLLEGE, PRAYAGRAJ &
THE NATIONAL ACADEMY OF SCIENCES, INDIA (NASI)**

Topics Include:

- ◆ Applications of AI & ML in Condensed Matter and High Energy Physics
- ◆ Topological Phases of Matter
- ◆ Strongly Correlated Electron Systems
- ◆ Liquid Crystals and Nanomaterials
- ◆ Spintronics, Optoelectronics and Sensors
- ◆ Spectroscopic Techniques
- ◆ Renewable Energy (Production, Storage and Applications)
- ◆ QCD Phases of Matter and Heavy Ion Collisions
- ◆ Neutrino and Dark Matter Physics
- ◆ Astronomy and Astrophysics
