

Sixth Lecture organized under Ewing lecture Series

The sixth lecture of the current academic session under Ewing Lecture Series was organized by the Physics Society on 6th May 2023. Dr. R. P. Khare, former Head of the Physics Department, Ewing Christian College delivered the lecture on “Goniometer” and explained the detailed procedure to perform this experiment. Head of the department introduced the speaker and highlighted the relevance of this experiment. This lecture was organized for B. Sc. 4th semester Physics students. Dr. R. P. Khare also distributed the certificates to the merit holders of National Graduate Physics Examination (NGPE) 2023. Faculty members of the department were also present during this lecture. Dr. A. K. Pathak proposed the vote of thanks.
