

Lecture organized under Ewing lecture Series by the Physics Society

The First lecture of the current academic session under Ewing Lecture series was organized by the Physics Society on 12th July 2023. This lecture was organized for B.Sc. 2nd semester Physics students. Dr. Anjani Kumar Singh, retired faculty member of the department delivered this lecture. Head of the department introduced the speaker and presented a brief account of the earlier lectures & events organized under Ewing Lecture Series during the last academic session. Dr. Anjani Kumar Singh discussed about the fundamental laws of thermodynamics and sign convention in detail. Dr. Singh also highlighted the physical significance of these laws. Students were present in large number and actively participated in the lecture. Faculty members of the department were also present during this lecture. Dr. (Mrs.) K. L. Pandey proposed the vote of thanks.
